Attach a Site Diagram to include dimensions of opening.

Sidewalks shall be constructed of brick or concrete. No blacktop shall be used for sidewalks. All construction shall conform to attached specifications and Ordinance #513.

Ebensburg Borough requires contractors to be registered.

The applicant hereby understands the permit is issued under and subject to the provisions and requirements of all Borough ordinances, rules, and regulations relating thereto. If the opening is in a State-owned road, the applicant is responsible to apply directly to the Pennsylvania Department of Transportation. The applicant is responsible for contacting "Pennsylvania One Call" prior to any work beginning.
