Welcome to the Ebensburg Tennis Center

The Ebensburg Tennis Center opened its doors on August 19, 2007. Three indoor courts and three outdoor courts are available to the public through memberships for indoor and outdoor seasons. The facility will feature two of the tennis Grand Slam surfaces: the indoor courts will replicate the playing surface of the Australian Open, while the outdoor courts will replicate that of the U.S. Open. The tennis center is open 24 hours a day to members, who will receive a personal key fob upon purchase of their membership. Our online court reservation book makes it easy to reserve your courts at any time.

The Ebensburg Tennis Center has a Pro Shop stocked with apparel and equipment. Racket re-stringing services, as well as locker rooms and showers will also be available to all members.

Tennis Programs

Private Lessons

One-on-one individual tennis instruction for all playing levels and age categories (juniors and adults).

Group Lessons

Group tennis lessons involve more than one person and focus on match play situations.

The following types of group lessons are offered:

Pee Wee Jr. Tennis

This program is intended for children ages 4-8 years old who are interested in playing tennis for the first time. Lessons are conducted with foam balls and smaller racquets making it easier for the children to get adjusted to the game.

Junior Clinics

Clinics are offered throughout the year. Recommend age of 8-17. Junior clinics are available for all ages and levels of play. Please visit our website for a list of all current clinic times and ability levels.

Adult Clinics

Available for intermediate and advanced levels. Clinics focus on improving stroke production and technique. Strategy and match play work will be incorporated into each session.

Adult Beginner Clinics

This clinic is recommended for anyone 18+ years of age who has little to no experience playing tennis. It will focus on the basics; serve, backhand, volley, etc.

Tennis Contracts

A tennis contract is a block of time that you and another person or group of people will reserve for play. You will reserve this specific time to play each week. Tennis contracts are available for tennis members only.

Leagues, Round Robins and Socials

League Play

Competitive matches are key in league play. We offer junior and adult leagues for all playing levels.

Round Robins

This tennis event takes place on a monthly basis and is intended for match play. It is a drop-in-and-play event; which means you show up and we pair you up with someone to play with.

Socials

Tennis socials are organized events that focus on gathering members together to meet each other and play tennis. When all play is finished, the real fun begins with food and refreshments. This is a great way to meet your fellow tennis members and make new friends.

State-of-the-Art Tennis Ball Machine

This machine will serve as your personal tennis practice partner. The machine will hit balls to you. Practice makes perfect!
