C. Small Dock and Boat Launch

Ms. Jacoby reported that the Ebensburg Main Street Partnership has requested to replace the kayak launch/dock that was previously located at the Upper Reservoir (former site of Nathan’s Divide). Since this site is owned by the Municipal Authority, their approval is needed to submit the permit application. Additionally, the municipality will need to serve as the applicant for a GP-2 Small Dock and Boat Launch permit through the Cambria County Conservation District. The Main Street Partnership has solicited quotations and is planning to purchase an EZ Dock floating modular dock, pending approval from all the appropriate agencies, Council and the Municipal Authority.

Ms. Jacoby made a motion to approve the application request for the GP-2 Small Dock and Boat Launch permit. (Miller). Roll call was taken:

Hastie Fence in the amount of \$174,025.00 and Hiles Excavating for \$193, 725.00. After discussion with the airport and contractor, a supplemental agreement will be issued decreasing the base bid from \$136, 470.00 to \$78, 970.00, a \$57,000.00 difference. Therefore, there is a recommendation from staff to issue the entire revised project to Fye Fencing in the amount of \$78, 970.00.
