- The concession stand and bathroom construction began on September 14th and is on schedule. The first invoice was received and submitted for reimbursement.
- The dredging of Lake Rowena began on Sept 9, 2026 and is expected to finish up by the second week of November. RD is in contact with the project manager. Two invoices have been received and submitted for reimbursement.
- Pavilions 1 and 2 remain closed for the duration of the project.
- The water at the Lake will remain on at the dog park and bathrooms as Coastal needs access as well as the concession stand construction crew. RD is in communication with the maintenance department on when the anticipated date to shut off will be, depending on weather temperatures.

POOL:

- The AMLER grant submission is in May 2027. This will be done by the Boro Manager.
- RD met with the project engineer regarding connecting the existing trail to Nathan's Divide and replacing the bridge located near Legends.
- Winterization of the pool house as well as the pool has been completed.
- New filter covers were ordered and will be installed prior to winter.

YPCC:

- The Boro Manager hired a part-time custodian/maintenance personnel and has started his employment.
- The Halloween Vendor show is scheduled for Saturday, October 31st from 3-5:00 PM following the Ebensburg Trick or Treat. Vendor application forms are being accepted. Seven applications have currently been turned in. Dr. Woo made a \$200 donation to the event.
- The air conditioning in the gymnasium is scheduled to be fixed by Kirkon Brecko on Friday, October 16, 2026. The heat is scheduled to be turned on, as well as the quarterly service.
- The Winter Basketball League was advertised in mid-September. There has been a lot of interest from new coaches. The RD collected names of children who did not have a team and was able to create four new teams to allow these children to play. Four parents stepped forward and agreed to coach these teams. The clearance website was provided to coaches who did not currently have them. Registration forms, payments, and clearances continue to come into the facility. The deadline to register is November 25, 2026 or until we reach 48 teams.
